Title: Extension of Remedi Contract for Restorative Justice

Executive Summary:

This paper outlines the case for a two year extension of the Restorative Justice (RJ) service for the period 2022-2024. RJ is a victim focussed method of holding offenders directly accountable to their victims for the crime, a low volume but high impact service. The service was commissioned in 2019 for 5 years, a 3 year contract with two extension periods built in. The extension would see a 1% increase split over 2 years, to account for increased NI/salary costs. The service is funded from the victims grant and there is budget available to meet this requirement.

Decision:

That the request for extending the contract for a further 2 years from 1st April 2022 to March 2024 at a total budget of £302,326 be approved.
