1b) data on any funding the PCC has allocated to activities related to human trafficking and/or modern slavery (for example, but not limited to: a dedicated unit, staff training, prevention, investigation, prosecution, awareness campaigns) within its force area since 2012. If this is not possible or too broad, please refer to 1c)

1c) data on any funding the PCC has allocated to activities related to human trafficking and/or modern slavery (for example, but not limited to: a dedicated unit, staff training, prevention, investigation, prosecution, awareness campaigns) within its force area in 2014-15.

There is technically no information held by the Office of the Police and Crime Commissioner for Humberside as there is nothing specifically within the OPCC budget. Humberside Police, with the money allocated to them by the Commissioner, may have funded some of the items that you mention.

The Commissioner is to part fund a conference with partners on human trafficking that is to be held on 01.03.16. It is estimated that the conference will cost in the region of £3k and the Commissioner's contribution is expected to be in the region of £2k. In 2016/17 it is hoped that a pan-Humber group will be formed with partners from the area to which funding, as yet to be determined, will be allocated.

2)If the PCC hasn't allocated any funding specifically to activities related to human trafficking and/or modern slavery (for example, but not limited to staff training, prevention, investigation, prosecution, awareness campaigns) within its force area since 2012 please confirm that in writing.

Not applicable.

3a) Please provide details of the time period covered by the latest Police and Crime Plan.

3b) Does the latest Police and Crime Plan include any reference to human trafficking and/or modern slavery? Please answer yes or no.

3c) If the answer at 3b) is no, please provide any other document that may contain any plan specifically dedicated to human trafficking/modern slavery within the force area dating back to 2012.

The Commissioner's Police and Crime Plan which covers the period 2013-2017 can be found on our website at <http://www.humberside-pcc.gov.uk/Plans-and-Policies/Police-and-Crime-Plan.aspx>.

There is no specific reference to human trafficking or modern slavery but the wider issue of vulnerability, under which we would include these matters, is detailed.

4) If the force area hasn't had/doesn't a plan specifically dedicated to human trafficking and/or modern slavery since 2012, can you please confirm that in writing.

Whilst the OPCC does not have a specific plan, a report on the issue of human trafficking is to be submitted to a forthcoming meeting of our Corporate Governance Group.
