Good afternoon,

On behalf of # I would like to submit a Freedom of Information request on the following:

- We would like to know the number of calls placed to the 101 non-emergency response telephone number for during July and August 2015 (Humberside Police region).
- We would also like to know how many calls to the 101 number went unanswered during the same period for the same region.

Many thanks for your help and I look forward to hearing from you.

Regards,
