Subject: FOI Request - Correspondence on police cuts

Auto forwarded by a Rule

Dear Freedom of Information Officer,

The issue of police budget cuts is a concern to many people, and I'm trying to gather information on this issue.

As part of this, I am writing to make a request under the Freedom of Information Act for copies of correspondence (including letters, emails, faxes and similar) between the Police and Crime Commissioner's office and the Home Office in the last six months (from October 1, 2014 onwards) that make reference to concerns about police budget cuts.

If my request is denied in whole or in part, I ask that you justify all deletions by reference to specific exemptions of the act.

Please let me know you have received this.

If there are any problems, or you need more information, please get in touch.

Many thanks,
