

**OFFICE OF THE POLICE AND CRIME COMMISSIONER
FOR HUMBERSIDE
DECISION RECORD**

Decision Record Number: 062020

Title: Melton 2

Executive Summary:

This document provides an update on the development and progression of the Melton 2 project since the PCC Decision Record (dated 27th August 2019) and COG Report (14th August 2019).

This update includes the granting of full planning approval and the receipt of the construction stage *Offer Letter* and *Guaranteed Maximum Price (GMP)* from the Consultant and Developer, Willmott Dixon.

This document seeks approval for the acceptance of the GMP and the associated programme of works for the construction phase.

The effect on the projected revenue savings has been compared with previous reports (Section 7, Table 6), with little change to the estimated savings and receipts since the original decision. Some savings will be delayed because of a 4 week increase to the programme, and the potential further delay in completion due to the effects of coronavirus on the construction industry and change to working practices, which are also noted.
