FAO Louise Cook

Dear Louise

Many thanks for the prompt response to my FOI request. Much appreciated.

Before I respond in full, can you please give me an indication of:

1. Total number of households/CT bills liable for the Humberside Police precept.
2. Does 22.1% turnout figure at last PCC election take into account or rule out the 4/5000 spoiled ballot papers (so I can extrapolate the total electoral roll for HPCC elections. Unless you are able to provide the definitive figure)

Again, thanks and regards.

Please will you kindly provide a copy of any formal report/presentation/information papers on the 'public consultation' formulation and outcomes as presented to the PCP.

Failing the availability of any such formal report/document; then I would much appreciate being provided specific details of the 'public consultation' agents, process, adjudication/validation methodology and all such information and breakdown on the consultee numbers, responses, data, findings and conclusions that determined the PCC's judgement and final decision.

Many thanks.

Kind regards
