Subject: Freedom of Information request - Violence Against Women and Girls - UPDATED REQUEST

Auto forwarded by a Rule

Hello,

I am writing to request information under the Freedom of Information Act 2000. In order to assist you with this request. I am outlining my query as specifically as possible.

I would like to know:

What budget has your Office of the Police and Crime Commissioner set aside for the costs associated with commissioning Violence Against Women and Girls (VAWG) services? This might include staff costs, legal costs, cost of market engagement events etc. Please supply the answer as total budget for the financial year 2018/19.

I would be interested in any information held by your organisation regarding my request. I understand that I do not have to specify particular files or documents and that is it the department's responsibility to provide information I require. If you need any further clarification, please contact me by email.

I would like to receive the information in word or excel format.

If my request is denied in whole or in part. I ask that you justify all deletions by reference to specify exemptions of the act. I will also expect you to release all non-exempt material. I reserve the right to appeal your decision to withhold any information or to charge excessive fees.

I would be grateful if you could confirm in writing that you have received this request. I look forward to your response within 20 working days, as outlined by the statute.

Best wishes,
