Under the terms of the Freedom of Information Act, I would like to know the following.

In the last ten years, how many applications to the Home Office for Special Grant Funding have been made by Humberside Police or the PCC's office (or the police authority before 2012)?

In each case, can you tell me what the reason was for the application, the amount applied for, when the application was put in, when the decision came back from the Home Office, and what the result was (ie, how much was provided, if anything).

Many thanks,
